1. Industry structure and developments:

Fortune of your Company which is in refractory industry is directly linked to the performance of Steel Industry as it is the largest consumer of refractory products. The other consumers of refractory products are Cement, Copper, Glass, Aluminum and Petro-chemical industries etc. which are witnessing reasonable growth, all these factors will have a very positive impact on the growth of refractory industry in near future.

Nilachal Refractories Ltd. (NRL) is having its manufacturing unit in the State of Odisha near Dhenkanal. The Plant is strategically located and the Company hopes to take advantage of the boom in Steel and Aluminium industry in the region in times to come.
